MEDICATION SELF-ADMINISTRATIONS

Merritt Athletic Club camps strongly encourage participants' self-responsibility for personal health, including personal care and medications. We ask that whenever possible, participants take their medication before or after, rather than during programming. Please understand that Merritt Athletic staff will supervise self-administration of medication to participants only in situations that are absolutely necessary for a participant's health. Authorized staff will only supervise self-administer medications during registered programs that are two hours or greater provided that the Medical Authorization Form (see attached-DHMH 4758) is completed.

REQUIREMENTS: PARENT/LEGAL GUARDIAN MUST

- Complete, sign and have a licensed medical professional review and sign the Medical Authorization Form (DHMH 4758) and turn it in with registration. All specific instructions for medication must be included and Merritt Athletic Clubs has the right to refuse admission to any camp without required completed information.
- Personally deliver all medication to the authorized staff in the original container. The container must include the pharmaceutical or over-the-counter manufacturer's instructions to include: person's name, medication, dosage, and time of day medication is to be administered.
- Verify with authorized staff the amount of medication (i.e., 10 pills, half of 8oz. bottle) noted below.
- Only send the amount of medication needed for the duration of the current program registration, not to exceed two weeks of time.
- If pill tablets must be divided in order to administer the correct dosage, this must be done at home before bringing to the program.
- Upon arrival to camp, DHMH form 4759 (Medication Administration Form) is signed with all necessary information.
- All medications must be picked up at the end of the week and the DHMH form 4760 must be signed.

_____ INITIALS OF PARENT/GUARDIAN

PERMISSION TO ADMINISTER MEDICATION

Merritt will not allow for self-administration of medication to a minor child or other participant unless this permission and waiver to administer medication has been fully completed, signed and initialed by a parent or guardian and reviewed and signed by a licensed medical professional. As parent/guardian of the below identified participant, I verify and attest that my child/ward has the knowledge and skills to safely self-administer medication in a camp setting under adult supervision.

If after administering medication there is an adverse reaction, I understand that Merritt Athletic Club staff will secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for immediate care. I agree to be responsible for payment of any and all medical services rendered. I also recognize and acknowledge that there are certain risks of physical injury to participants' regarding self-administration, or use of medication, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss regardless of severity that my minor child/ward or I may sustain as a result of said self-administration or use of medication. Such risks include, but are not limited to, physical reaction, failing to assess and/or recognize a medical emergency, and failing to recognize the need to summon emergency medical services. I further agree to waive and relinquish all claims I or my minor child/ward may have as a result of or arising out of the self-administration, or use of medication against Merritt Athletic Club, including its officials, agents, volunteers and employees. I further agree to protect, indemnify, save, defend and hold harmless Merritt Athletic club from and against any and all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including reasonable attorney fees) for which Merritt Athletic clubs may become obligated by reason of the possession, self-administration, or use of medication. SUNSCREEN APPLICATION

Merritt Athletic Clubs encourages the application of sunscreen daily on all campers prior to the camper attending camp for the day. Merritt Athletic Clubs suggests that all campers bring their own labeled sunscreen to re-apply throughout the day during designated sunscreen application times as well as on an as needed basis. I recognize that Merritt Athletic Clubs will only assist with the application of spray sunscreen if needed by a camper. If assistance is needed, please indicate brand of sunscreen and sign below to authorize application assistance by a Merritt Athletic Clubs employee. I agree to obtain a physicians note for any allergies my child may have to any brand or type of sunscreen. I am aware that although the Office of Environmental Health and Food Protection no longer considers sunscreen a medication requiring a prescriptive order, Merritt Athletic Clubs does require such information if a specific type or brand of sunscreen is required for my child and my child needs assistance with applying the specific sunscreen noted.

I give Merritt Athletic Clubs authorization to apply the above noted sunscreen brand to my child if deemed necessary. I will supply a labeled container of sunscreen.

If the emergency situation is such that immediate hospital attention is necessary, the staff will accompany the child to the hospital in an ambulance. In the event I or my designees cannot be reached in an emergency, I authorize transportation of my child to a licensed emergency care facility to receive prompt treatment. Furthermore, I authorize the medical personnel at the facility to provide such treatment to my child as is indicated by the nature and extent of his/her injury and that is in accordance with the protocols of standard medical practice.
