Pricing is for both before and after care combined and cannot be prorated for partial care on any given day or week. Before Care begins at 7:30am and runs until camp begins at 9:00 am daily. Aftercare begins at 4:00pm and runs until 6:00pm daily.

By registering my child(ren) for Merritt Summer Camps I am in agreement that I have read and understand Merritt Clubs payment policy. I acknowledge that all payments in full, or on a payment plan, must be made on or before the first of the month of the camp that my child will attend. I understand that my child is not fully registered for the camp program until payment is made in full and all required paperwork is completed.

Swim/Pool Agreement

I understand that all full day summer camps may include a daily swim time in the Merritt Clubs Aquatics Center. I am aware that my child will be required to complete and pass a deep water swim test with Summer Camps to allow him/her to swim in the “deep end” (deeper than 3 feet) or active water areas (whirlpool or moving current areas including certain water slides) of any Merritt Clubs Pools.

I understand that a certified lifeguard must deem my child “passed” in order for my child to swim in these noted pool areas. Please advise a camp director or aquatics director in writing if your child has a fear of the water or cannot swim. The Merritt Swim Test is for all children and includes swimming one length of the pool without breaking, treading water in the deep end for 1 minute and floating on their back for 1 minute without assistance.

I understand that if my child can pass the test, they are ready to swim in the above listed areas of the Merritt Clubs Aquatics areas. Each camper who passes the test will receive a bracelet to wear to announce to the lifeguards and camp staff which area of the pools the camper is allowed to swim. If a camper does not pass the test but would like to retake the test at a later date, this can be scheduled with a lifeguard or Camp Director at our convenience. I understand that these rules have been established in the best interest and safety of your child while in our pools.

Lunch Program *(If applicable – please contact your location directly for more information)*

Parents must send their campers with a bag lunch or purchase a lunch package. Due to limited refrigeration and kitchen appliances, please do not send items that require refrigeration or that may need to be heated. Please be sure that your child’s lunch box or bag is labeled with camper’s full name. Certain locations will have the option to add the on-site lunch program to your child’s camp week. Food orders must be placed Monday thru Friday the week prior to the camp attending.

Closings and Early Dismissals

I acknowledge that there will be no reduction of fees for emergency closings, or if the site is forced to close or for an extended period of time due to circumstances beyond Merritt Clubs control (ie. A water main break, power outage, severe/increment weather, etc).

Custody Concerns

If there are any custody concerns, the parent will provide a court order indicating who is the custodial parent/guardian and the names of anyone in which the staff should NOT release the child. It should be noted that there is one account for each family. If the account is outstanding, regardless of whose responsibility it is to make a payment, then care may be suspended or terminated. We expect parents to communicate with each other and that they refrain from placing our staff in the middle of any custody issues. Failure to do so could result in immediate termination.

Sign In and Sign Out

Children must be accompanied into and out of the program space by a parent or authorized adult (that is listed on the Emergency Contact Form and at least 18 years of age or older) at all times. An authorized adult must sign the in/out roster and may be required to present a photo ID to ensure that this safety regulation is enforced.

If you are a member of Merritt Clubs, and wish to use the Kids Club service following Summer Camp, you must sign your child out of summer camp, and check them into the Kids Club. If you do not, you may be charged the Before and After Care rate.

Early Arrival

Merritt Clubs Summer Camp Program Before Care begins promptly at 7:30am. Campers are not allowed to be dropped off prior to this time.

Merritt Summer Camp program camp days begin at 9:00am. Campers who are not registered in before/after care are allowed to be dropped off between 8:45am and 9:00am.

Campers who are not registered for before/after care and are dropped off prior to 8:45am will be charged the before/after care daily rate of \$25 per child. All campers must be signed in daily by a parent or legal guardian before being left for camp. A photo ID may be required when dropping a child off for camp. Campers with medicine will be directed to the medical personnel on hand or authorized staff to fill out the required Medication Administration Authorization Form prior to camper being allowed to enter camp.

Late Pick Up

Merritt Clubs Summer Camp Program closes promptly at 4:00pm and After Care at 6:00pm. Parents are considered late if the child has not been picked up (regardless of the reason). Any parent arriving late will be charged a late fee of \$5 per child for every five minute increment or fraction thereof. There is no cut off time for this fee and the authorities will be notified for any children remaining past 7:00 pm. Repeated lateness could cause dismissal from the program. Payment for late fees is due within 24-hours of the date of late pick up – late payment fees and suspensions for non-payment may apply.

Forms and Account Information

It is the parent/guardian's responsibility to notify staff of any medical information pertinent to their child's health, safety and well being; and to provide updated medical records as necessary. It is the responsibility of the parent/guardian to keep telephone and emergency information updated in their child's account with the camp directors or assistant directors.

Requirements: Parent/Legal Guardian Must

Sunscreen Application

Merritt Clubs encourages the application of sunscreen daily on all campers prior to the camper attending camp for the day. All campers MUST bring their own labeled sunscreen to re-apply throughout the day during designated sunscreen application times as well as on an as needed basis. You as a parent or guardian of a camper recognize that Merritt Clubs will only assist with the application of spray sunscreen if needed by a camper.

If assistance is needed, please indicate brand of sunscreen and sign below to authorize application assistance by a Merritt Clubs employee. You agree to obtain a physician's note for any allergies my child may have to any brand or type of sunscreen. You are aware that although the Office of Environmental Health and Food Protection no longer considers sunscreen a medication requiring a prescriptive order, Merritt Clubs does require such information if a specific type or brand of sunscreen is required for your child and my child needs assistance with applying the specific sunscreen noted.

Upon registering, you give Merritt Clubs authorization to apply the above noted sunscreen brand to your child if deemed necessary. You will supply a labeled container of sunscreen.

Sports and More

Campers will enjoy indoor and outdoor sports instruction for multiple sports including soccer, football, basketball, Gaga pit, Kickball, etc. Campers will gain teamwork skills and discover the importance of a healthy lifestyle with every activity. From beginning to superstar there will be something for everyone to learn.

STEAM Camp

NEW this year! Science, technology, engineering, art, and math! Campers will build critical thinking skills through fun, hands-on activities that promote life skills such as problem-solving, collaboration, and teamwork.

Theater Camp

NEW this year! Do you love the spotlight? Or maybe you would rather run the spotlight? How about making props and working on the set? This week will teach campers about all the things that happen on the stage and behind the curtains. Campers will end the week with a mini skit. All of the campers will need to be involved (on stage and behind the scenes) to make the show come to life.
