

After the recent school district announcements and a shift towards modified online offerings this fall, we know this school year will look very different from previous years. Online learning may cause disruption for families who are trying to balance work, home, busy schedules, and family. This is not an easy task and **Merritt is here to help.**

First and foremost, we are always willing to listen to our families and see how we can assist to solve the need for enrichment and athletic programming for your children as we move into the new school year.

This program will be open to children in Kindergarten through 5th grade.
