

## Class Descriptions

### BALLET

This class focuses on the fundamental elements of ballet technique and performance. Dancers will concentrate on body alignment, flexibility, and muscle control.

### CREATIVE MOVEMENT

This class is a way for children to explore movement through music while developing basic physical skills. Creative movement allows children to use their imagination and creativity while learning basic ballet technique.

### JAZZ

Jazz is a combination of ballet technique mixed with modern dance to create a style that is exciting to watch! Dancers will learn how to isolate their bodies, use the music to complement their moves, and have fun!

## Spring Season Info

**Session begins January 25.**

The dancers will show off what they learned during our show case at the end of the session, date to be announced.

Parents will be able to take videos and pictures at that time. Please refrain from taking video and pictures during class as it distracts the dancers while in class. We will not have class on March 30.
